“Our radios receive a high amount of use for many different reasons and are critical in ensuring student and staff safety, and effective communication throughout the College.

They are used on a daily basis by the Maintenance/Housekeeping Team and Student Services. They have also been vital to the smooth management of large events held in the grounds at Bicton College.

We are delighted with the enhanced quality, features and coverage of the new radios. The service and continued support provided by PCE has been first class.”

Ross Cooper

Campus Services Manager

Bicton College
